from Northcott just
arrived and we have
the whole line!

Check out the trendy
Christmas line from
Henry Glass and the
fabulous sample/free
pattern!

Check out our new all

Hi Everyone!!!!

Happy Fourth of July to you all!! To celebrate the holiday come and join us on Saturday, July 3rd from 10-3pm. We will have food, fun, games and a fabulous door prize! And then of course there is the fabric – All Red White and Blue fabric will be 30% off. All books and patterns – 30% off from 10-3pm!!!

This is also the time to be thinking about Christmas - it will be here before you know it! To jump start your creativity, we have three different Christmas lines in, already and more expected soon. So come and be prepared to get inspired and create!!

Jenny and her "Sassy Stitchers" are working on a gorgeous Christmas quilt called "Trees for Sale". You will love our sample! (And we do have the pattern in stock).

For those of you with some spare time this summer, we have good news. We are offering four classes all in the month of July designed to teach you new techniques and heighten your quilting enthusiasm.

ONE BLOCK WONDER – it's here again!!! One fabric one block and one masterpiece!!! You only have to see Diane's sample to know why you can't stop at making only one quilt!!! Shirley Paine and Diane Metts will be teaching this class together on Saturday July 10 and 17 from 2-4pm.

day sew - sessions –
the second
Wednesday in July
and August.

Don't miss Jennie
Weaver's new class
on how to bind and
label your quilt!

Silk Ribbon Embroidery: Shirley Hansen is once again here to show us how to hand embroider with silk ribbon and create beautiful heirlooms. For those of you took Shirley's beginner class – this is what you want next!

Debbie Frey has scheduled her Beginner paper piecing class – Patchwork Stars on July 13 and 20 from 6-9pm. If you want to construct accurate and stunning blocks – this is your opportunity to learn how!!

Drunkard's Path – Have you always wanted to learn how to piece curved seams and make unusual patterns with these? Let Joan Orsi show you a great way to piece curved seams and achieve terrific results! Saturday, July 24, 10-5pm.

Log Cabin in the round – it is not your ordinary log cabin and it can be made in a day! Let Nelda show you her fantastic “quilt in a day” techniques to construct this beauty! Saturday, July 31, 10-4pm.

Have a wonderful week and enjoy your friends and family during this memorable fourth of July weekend!!!
