Talking about babies – we, at Patchwork Cottage, have our own “baby” – the new club we have been working on! This August – our “Stash Management 101” will begin. This will be an ongoing club and your “management” skills will determine the duration of your membership! So all of you who asked us to make this a reality – here it is! The way this club works is like this: Bring fabric from your stash, work on the new pattern we provide each month, two club times each month and viola – you manage and reduce your stash!!! How simple is that? Dates and times are:
